

Dear Ashley Furniture

The Hill Country Youth Soccer Association had a great Spring 2021 season. It was wonderful getting back outdoors and having fun. Our organization continues to promote values that help develop tomorrow's healthy community. Sponsors like you help make our program available to everyone by keeping the cost affordable to families. Due to the current economy, we've had more scholarship requests than usual so we are truly grateful for this support and ask for your help with the 2021-2022 season.

With your \$175 sponsorship, HCYSA can continue to provide and improve a great all-volunteer, open registration soccer program for children 4 to 18 years old. As a sponsor, your name will appear on our website, [www.hillcountrysoccer.org](http://www.hillcountrysoccer.org), scrolling across the bottom of our home page along with our national partners. Sponsors will also receive a team plaque at the end of the fall season to display in their business.

We hope you will join us in promoting the Hill Country Youth Soccer Association and your business. You can sponsor your own kids, grandkids, nieces and nephews, or the kids next door. The bottom portion of this letter contains the information we need by August 15, 2021. Your contribution is greatly appreciated by all the volunteers, parents, and players!

Thank you for your support.

Linda Speck, Regional Commissioner
